

The Haas Park Advisory Council has launched our Soccer Field Turf Campaign and **we need your input**. Our goal is to replace our deteriorated, unusable soccer field with a new, sustainable athletic turf soccer field. In order to secure the needed private and public funding to achieve this goal, we need to show our neighborhood enthusiastically supports this project and will vigorously participate in the potential soccer programming that a quality field will make possible.

How can you help?

- **Please fill out our Soccer Field survey** – Your signature does not enlist you in the future program and there are no obligations associated with this survey.
- **Please write us an e-mail or letter supporting the project** and your desire to have your kids participate
- **Do you have to travel to play soccer?** Please, tell us your story by e-mail or letter.
- **Does your child/children love soccer?** Please send us photos of them playing soccer or drawings and letters from them about soccer.
- **Attend our future presentation forum**

How can you get us this information?

1. E-mail us at
info@haaspark.org
2. Mail us at:
Haas Park Advisory Council
2421 N. Fairfield
Chicago, IL. 60647
3. Drop it off in the Advisory
Council mailbox @ the Haas
Park Field House
